

#IEIFAMILY

The Institute for Education Innovation (IEI) is a dynamic membership-based organization that brings together individuals and organizations dedicated to the success of students in both their academic journey and future endeavors. Our mission is to foster a collaborative environment that encourages constructive problem-solving and innovative thinking. Join the vibrant #ieifamily and be part of a community that is passionate about transforming education!

WHO WE ARE

We are a dedicated organization focused on fostering thought leadership among superintendents, educators, and entrepreneurs in K-12 education. Our mission is to facilitate insightful dialogue and collaboration, aiming to enhance our collective efforts in supporting students and families as they strive for successful careers and fulfilling lives. Together, we can make a significant impact in the field of education.

Join the #ieifamily, a collaborative network of diverse, award-winning superintendents from across the nation.

NETWORKING AND COLLABORATION

"This was so valuable, which is how I always feel at IEI summits. The people are amazing and have a wealth of knowledge to share. The collaboration is open and honest, with true innovation flowing minute-by-minute. The social events continue the learning in a more casual environment where we all can get to know each other and connect."

Piper Bogнар,
Superintendent
Van Dyke Public Schools, MI
